TYPE	Activity plan
LEVEL	tertiary
MODALITY	classroom-based
SUBJECT	international economics
TECHNOLOGY	internet resource,video,spreadsheet,whiteboard
KEYWORDS	international trade,fair trade,child labour,child trafficking

Lecture will cover the issues behind child labour and child trafficking in Ghana and the Ivory Coast. Students will see U. R. Romano's and M. Mistrati's movie "The dark Side of Chocolate" that shows child trafficking and exploitative child labour issues in cocoa plantations. After the movie there is a discussion section about the issue.
